PROCEDURES FOR PUBLIC HEARINGS

It is the Plan Commission's job to conduct public hearings in order to receive testimony for and against petitions for general amendments to the zoning ordinance, zoning map amendments, zoning text amendments, special use permits and amendments to special use permits.

The procedure followed for public hearings is as follows:

- First, the Plan Commission secretary or the designated representative will read or describe written items, reports, and plans into the record.
- Second, the petitioner will present testimony in favor of the petition and will present any supporting plans or exhibits.
- Third, the Commission members will have an opportunity to question the petitioner.
- Fourth, the Commission will then receive citizen testimony both for and against the petition. Questions about the proposal may be directed to the petitioner or petitioner's witnesses and questions about the Plan Commission process itself may be directed to me. Following such testimony the petitioner and the Plan Commission may ask questions of those who testified.
- Finally, the petitioner may provide a rebuttal to any testimony in opposition.

When all the testimony is brought into the record the hearing will be closed and the Plan Commission will make a recommendation to the City Council in the form of a motion or motions.

- In order to give testimony, you must provide your name and address on the registration sheet located at the entrance of the hearing room and sign in the space provided. By signing the registration sheet, you agree and understand that anything you say will be considered sworn testimony and affirm to tell the truth, the whole truth and nothing but the truth.
- When giving testimony please approach the lectern, speak directly into the microphone so that you may be heard. Please begin by stating your name and giving your address. If you speak additional times, please state your name each time for the record.
- Please be concise when presenting your testimony and if your point has already been made, it is not necessary to repeat it. Each of these points is recorded and will be considered as the Plan Commission develops findings of fact and a recommendation or recommendations.
- You may provide your testimony in written form, but such written testimony must be presented to the Plan Commission secretary or the designated representative prior to the closing of this hearing.
- After the process is completed and everyone wishing to present testimony has spoken, the Commission will then decide whether it has heard adequate testimony in order to make a decision. If it has, the public hearing will be closed.

After a public hearing is closed the Plan Commission will refrain from receiving any additional testimony either for or against the petition. There is one exception to this rule.

- City staff will submit a report based on the testimony presented at the hearing. This report will consider comments or concerns from all City Departments such as the Fire Department, Public Works Department or the Engineering Department.

[PLEASE SEE TRANSCRIPT OF PROCEEDINGS FROM PLANT DEPOS]

Motion by Commissioner Case, seconded by Commissioner Leidig, to close the public hearing. Motion carried unanimously by voice vote of 7-0.

Motion by Commissioner Stevenson, seconded by Commissioner Dziadus, to waive the bifurcated process and vote on the petition. Motion carried unanimously by voice vote of 7-0.

Discussion ensued by the Plan Commission regarding how to insure that “Cosmetic Tattooing” is different from body art ink tattoos. Ms. Hemmerich said that while the term “permanent” is used, for most cosmetic tattoos the “pigmentation” fades in 2-3 years because they are not using ink. City Planner Evans stated the staff report points out that the recommended definition of “cosmetic tattooing” is intended to differentiate it from typical body art tattooing.

Motion by Commissioner Leidig, seconded by Commissioner Case, to approve the request for a Zoning Ordinance Text Amendment to Section 11-2-2 (Definitions of Words and Terms) related to the definition of the term “cosmetic tattooing” and Sections 11-6B-2, 11-6C-2, 11-6D-2, 11-6E-2, 11-6F-2, 11-6G-2 and 11-7A-2) to expand the list of permitted uses in the B1, B2, B3, B3E, B4, B5 Business Districts, and OR Office Research District to include “Cosmetic Tattooing”, as presented in the staff report.
