

## City Council Meeting – Nov. 20, 2023 City Staff Responses to Council Questions

### **Agenda Item 8: Municipal Bills for Payment**

1) Tie National LLC \$4,330

*Q: What is this for, and where was this installed?*

A: The sound masking system was installed in the administrative offices at Fire Station No. 1 on East Side Drive. The system is designed to saturate the offices with ambient white noise that masks background conversations and ensures privacy for confidential conversations.
