AGREEMENT

This agreement is entered into this 14 of Dec, 2015, by and between the City Council of the City of Geneva, Illinois hereinafter called "City" or "Employer", and Local No. 196 of the International Brotherhood of Electrical Workers, AFL-CIO, hereinafter called "Union".

Inasmuch as the Employer and the Union desire to establish a standard of conditions under which the employees shall work for the Employer during the term of this Agreement and with the view of securing harmonious cooperation and for settling of any disputes without interruption of work, it is agreed as follows:

ARTICLE 1

RECOGNITION AND REPRESENTATION

Section 1 - Recognition

The City recognizes the Union as the sole collective bargaining agent for all full-time Street Maintenance Lead Workers, Street Maintenance Workers, and Fleet Maintenance Technicians within the Public Works Department of the City of Geneva, but excluding all other employees of the City including Street Maintenance Supervisor, Fleet Maintenance Supervisor, Street Superintendent, and all other supervisory and managerial, part-time, temporary, and confidential employees as defined in the Illinois Public Labor Relations Act, 5 ILCS 315 (2012) as amended (Act).

Section 2 - Union Rights

The Union reserves the right to discipline its members for violation of its laws, rules and agreements.

Section 3 - Union Representatives

The Employer agrees to permit representatives of the IBEW Local 196 to have reasonable access to the premises of the Employer for the purpose of representing employees pursuant to the provisions of this Agreement. The internal business of the Union shall be conducted during the non-duty hours of the employee involved. The Union will not abuse this privilege, and such right of entry shall at all times be subject to general department rules applicable to non-employees.

Section 4 - Union Officers

A written list including the Union Steward and other officers and representatives shall be furnished to the Employer immediately after their designation and the Union shall notify the Employer of any changes, provided that the Union shall not designate more than one Steward.

Section 5 - Time Off for Union Activities

Any and all consultations between and among represented employees and/or the Union concerning Union business or the handling and processing of grievances shall take place in a manner which does not interfere with City operations. The Union Steward will be allowed reasonable time off during working hours without loss of pay to investigate and settle grievances provided that the Steward shall request permission from the Division Superintendent.

Section 6 - Non-Discrimination

The Employer and Union agrees that there shall be no discrimination, interference, restraints or coercion by the Employer, Union or any of their agents, or servants on behalf of or against any employees because of membership in the Union. The provisions of this agreement shall be applied equally to all employees in the bargaining unit without discrimination because of age, sex, marital status, race, color, creed, national origin, political affiliations or union membership.

No employee shall be discriminated against for any Union activities, or in anyway, so as to violate the letter or the spirit of this Agreement.

ARTICLE 2

DUES DEDUCTION AND INDEMNIFICATION

Section 1 - Dues Deduction

While this Agreement is in effect, the Employer will deduct from each employee's paychecks and forward to the Union in a manner determined by the City the regular union dues assessed by the Union for each employee in the bargaining unit who has filed with the Employer a voluntary, effective check-off authorization. If a conflict exists between the authorization form and this Article, the terms of this Article, and this Agreement, shall control.

Employees may revoke a dues check off authorization at any time upon thirty (30) calendar days' written notice to the Employer. The Employer shall advise the Union promptly upon receiving a revocation of dues check off authorization.

With respect to employees on whose behalf the City has not received written authorization as provided for herein, or who has revoked their dues check off authorization, the City shall deduct from the wages of the employees the fair share financial obligation.

If the employee has no earnings due for that period, the Union shall be responsible for collection of dues/fair share. The Union agrees to refund to the employee any amounts paid to the Union in error on account of this Dues Deduction Provision. The Union may change the fixed uniform dues formula no more than twice each year during the life of the Agreement. The Union shall give the Employer thirty (30) calendar days' notice of any such change in the uniform dues.

Section 2 - Fair Share

An employee who, after the effective date of this Agreement, has not made application for union membership shall be required to pay a fair share of the cost of the collective bargaining process and contract administration. Such fair share fee shall not exceed the uniform monthly dues paid by a member of the Union. The fair share fee shall be uniform for each employee (who is subject to the obligation to pay the fair share fee). The Union may change the fixed uniform dollar amount of the fair share fee once each calendar year during the life of this Agreement. The Union will give the City thirty (30) calendar days' notice of any change in the amount of fair share fees to be deducted.

Section 3 - Indemnification

The Union shall indemnify and hold harmless the Employer, their appointed and elected representatives, officers, administrators, agents and employees from and against any and all claims, demands, actions, complaints, suits or other forms of liability that arise out of or by reason of any action taken or not taken by the Employer for the purpose of complying with the provisions of this Article, or in reliance on any written check off authorization furnished under any of the provisions of this Article.

Section 4 - Union Duty of Fair Representation

The Union agrees to fulfill its duty to fairly represent all employees in the bargaining unit.

ARTICLE 3

LABOR MANAGEMENT MEETINGS

Section 1 - Meeting Request

A meeting between the Employer and the Union may be requested by written notice given at least seven (7) days in advance specifying a desire to hold a "labor management meeting." Such meetings shall be limited to:

- 1) A discussion on the implementation and general administration of this Agreement;
- 2) A sharing of general information of interest to the parties;
- 3) A desire by the City to notify the Union of changes in non-contractual conditions of employment contemplated by the City which may affect represented employees; and/or
- 4) Safety issues.

Section 2 - Exclusivity

Such meeting shall be exclusive of the grievance procedure. Grievances being processed under the grievance procedure shall not be considered at "labor management meetings" nor shall negotiations for the purpose of altering any or all of the terms of this Agreement be carried on at such meetings.

Section 3 - Attendance

The Union may designate up to two (2) bargaining unit employees to attend such meetings, unless otherwise mutually agreed upon. Such meetings shall be chaired by whichever party requested the meeting. There shall be no loss of regular straight time wages for attendance by the two (2) bargaining unit employees during the employee's regular hours of duty.

ARTICLE 4

MANAGEMENT RIGHTS

Section 1 - Management Rights

All functions of management in the operations of Employer shall retain the sole right and authority to direct the affairs of the Employer in all its various aspects, and the

direction of its employees which are not limited by the express language of this agreement, are exclusively vested in and retained by Employer, including but not limited to all rights and authority exercised by the Employer prior to the execution of this Agreement, except as modified in this Agreement. Such rights include, but are not limited to, the following: the right to determine the means, methods, organization and number of personnel by which operations are conducted and place of operations; to decide what work or services shall be performed by employees; to hire; to discipline or discharge non-probationary employees for just cause and employees during their probationary period without cause; to transfer, promote or relieve employees from duty because of lack of work or for other legitimate reasons; to maintain discipline, order and efficiency; the right to make and enforce reasonable work rules, regulations, safety rules and procedures; to introduce new and improved methods, materials, equipment or facilities, or change or eliminate existing methods, materials, equipment or facilities; provided this will not be used for purposes of discrimination against employee's membership in the Union; to schedule and assign work, to assign overtime; as established in the attached document; to contract out work as long as such contracting out does not directly result in layoffs or part timing of full time employees who are otherwise qualified to perform the work without additional training or the need for equipment not in the City's possession; to take necessary actions to carry out the mission of the Employer in the event of a civil emergency as may be declared by the Mayor or the Mayor's designee. It is the sole discretion of the City Mayor, or designee to determine if/when civil emergency conditions exist which may include, but not limited to, riots, civil disorders, severe weather events, or other catastrophes. It is understood that at no time shall the Employer jeopardize the health and / or safety of any employee in the event of a civil emergency.

ARTICLE 5

HOURS OF WORK & OVERTIME

Section 1 - Workday and Workweek

The regular work day for bargaining unit employees shall normally consist of eight (8) hours and the regular workweek shall normally be forty (40) hours in a City workweek (Sunday 12:00 a.m. to 11:59:59 p.m. Saturday). Working hours for the bargaining unit is 7:00 a.m. to 3:30 p.m. with a 30 minute unpaid meal period, Monday through Friday. Employees required to attend training or seminars will work the hours for which the actual training or seminar is scheduled, less any scheduled seminar/training break periods.

Section 2 - Schedule Changes

The Union and Employer recognize that there are times in which it is necessary to establish schedules departing from the normal work day, normal workweek, or the normal work cycle, or to temporarily change the normal work schedule of an employee or employees. During snow clean-up, parking lot maintenance, or for City Festivals (i.e. Swedish Days, Geneva Arts Fair, Festival of the Vine, Concours d' Elegance, and Christmas Walk), the City will give employees the option to volunteer for such assignments with forty-eight (48) hours advance notice. If there are no volunteers, the City reserves the right to require employees to work the revised schedule based upon reverse seniority. In cases of schedule changes due to extreme weather conditions the

City will provide as much notice as is practical given the circumstances.

Section 3 - Overtime

Employees shall be paid time and one-half the regular straight time rate of pay for all approved hours worked in excess of forty (40) hours in the City workweek. Time worked on Sundays and allowable holidays (Article 9 Section 2 of this agreement) shall be paid at double time rate. Time worked beginning at midnight and ending at 6:59 a.m. shall be paid at the double time rate except when conducting snow plowing operations. In which case, such time worked shall be paid at time and one-half the regular straight time rate of pay. Reasonable advance notice, under the circumstances will be given for scheduled overtime work. Hours worked shall not include any uncompensated period - or unpaid time off, but shall include vacation, holidays, personal days, and funeral leave.

Section 4 - Overtime Distribution and Scheduling

The Employer agrees to distribute overtime as equally as possible among those employees who usually perform the type of work at issue, as such overtime will follow a callout/standby list. The employee working on any job which extends into overtime shall have first claim on the overtime. The parties recognize they have an obligation to the community to provide services and this obligation may require the working of overtime.

Maintenance related overtime will not follow the overtime list if the crew to whom the job has been assigned can be scheduled at the necessary time. If some members of the crew to whom the job has been assigned will not be available and/or additional personnel are required, the callout/standby list shall be followed.

In lieu of above, the City reserves the right to post potential overtime work, provided if more employees sign up than are required, the City will utilize the standby/call out list, to determine who is assigned to work.

In the event insufficient volunteers are found through the methods described above, the City reserves the right to require overtime in the order of the callout/standby list or the Employer may work other personnel on said overtime without violating the Agreement. The City may bypass employees who are scheduled off on vacation, personal, comp time or sick time for the day in question or in cases where the employees would suffer undue hardships. Non-bargaining unit personnel may continue to perform work as performed by the bargaining unit personnel consistent with the current (as of the date of this agreement) practice.

Section 5 - Call Back Time

A minimum of two (2) hours at applicable rate shall be paid to employees called back to work after having been released after their regularly scheduled work day. Such call-in time shall start when the employee begins work and shall end when the employee is released from work

On call-ins that are prearranged for work prior to the employee's regular hours, when the employee then continues with regular hours of work or where same occurs during noon hour, only actual time at overtime rates apply.

Employees who are called out shall respond not only to one initial callout, but shall

also make themselves available, at no additional expense to the Employer, to respond to any other callout during that two hour period, as long as the employee has not left City property. Should the duration of the second call extend beyond the two hour period, the employee shall receive the applicable rate of pay for any additional hours worked.

Section 6 - Standby

Employees required to be on "standby" shall be compensated four and one-half (4 1/2) hours pay per day at straight time for standby duty on Saturday, Sunday, or any holiday officially designated in this Agreement. Employees required to be on "standby" shall be compensated two (2) hours pay at straight time for standby duty for each weekday, Monday through Friday. If called for duty, the employee shall receive compensation for time worked as called for in Section 5 of this Agreement. On-call time shall start on Monday at 7:00 a.m. and conclude the following Monday at 7:00 a.m.

During the winter months, the Employer shall decide when employees will be placed on a standby rotation. Once the standby rotation has begun, employees will remain on the standby rotation until snow plow operations are no longer required as determined by the City.

The existence of standby shall not preclude an employee from taking vacation provided the employee is able to provide a back-up to the employee.

The City shall maintain its practice of posting the on-call schedule.

Section 7 - Compensatory Time

Employees may earn compensatory time in lieu of overtime pay. For an employee to earn compensatory time, the employee must have worked at least forty (40) hours during the workweek (or the equivalent if the employee is on a schedule other than 40 hours per week). For each overtime occurrence, if employees agree to accumulate compensatory time instead of receiving overtime pay, they must receive consent to do so prior to accruing any compensatory time.

Upon completion of earning compensatory time, the employee must complete a payroll adjustment form, signed by the appropriate supervisor, which is to be submitted on a bi-weekly basis with time sheets to the Human Resources Office.

Compensatory time earned is the same rate as overtime earned; time and one half or double time. The maximum number of hours of compensatory time that can be accumulated by an employee is one hundred (100) hours. Compensatory time may be used at a minimum of one (1) hour increments and at a maximum increment of eighty (80) hours. Authorization of said time off must not unduly disrupt operations as determined by the authorizing supervisor. Employees must request, in writing, compensatory time leave at least one (1) week in advance of the requested time off. A notice of one (1) working day shall be given seasonally between the last week in October and the first week in April (weather permitting). Compensatory time earned in the current workweek is not available for use until the following workweek, otherwise it will be treated as flex time and paid at the straight hourly rate.

Employees are required to utilize their accrued compensatory time by the end of the fiscal year that follows the fiscal year in which the compensatory time is earned. In order to accommodate operations and budgetary concerns, Department Heads are authorized to make exceptions to the compensatory time policy only after consultation and approval from the Assistant City Administrator/Director of Administrative Services.

Section 8 - Temporary Work at a Higher Classification

A Street Maintenance Worker shall be designated as an acting Street Maintenance Lead Worker (Crew Leader) whenever the number of full-time collective bargaining unit employees, covered by this Agreement, in any one crew exceeds three (3) and there is an absence of a regular Crew Leader for a period of two (2) hours or more.

When an employee temporarily assumes the responsibilities of a Crew Leader as indicated in the above paragraph, the employee shall be compensated for all hours as acting Crew Leader in accordance with Article 15 of this Agreement.

ARTICLE 6

SENIORITY, LAYOFF, RECALL

Section 1 - Definition of Seniority

Seniority as used herein shall mean the length of service in continuous full-time employment of the Employer. An employee's seniority shall date from the time of his full-time employment except where service is interrupted by reason of layoff, resignation, or discharge. Layoffs shall not terminate the seniority of any employee, except as provided as follows:

New employees or re-employed employees whose seniority has been terminated shall serve a twelve (12) month probationary period with the Employer and during such period the Employer shall have the right to discipline or discharge, without cause. Employees who are continued in the service of the Employer after said probationary period shall be immediately credited with twelve (12) months seniority.

Section 2 - Termination of Seniority

The seniority of an employee shall terminate under any of the following conditions:

- A. When laid off for a period equal to one (1) year, or the employee's seniority, whichever is less.
- B. When an employee resigns his employment with the Employer.
- C. When an employee is discharged; for just cause.
- D. When an employee fails to return to work within two (2) days after written notice, by registered mail, to the employee's last known address, requesting such return.
- E. When an employee fails to report for work on three (3) successive work days without notifying the Employer.
- F. Failure to return to work immediately after doctor's release from sick leaves.
- G. Failure to return to work on stated date after authorized leaves of absence.

Section 3 - Layoff

Should the City, in its discretion, determine it is necessary to lay off any employee, the employer shall give such employee or employees affected, a reasonable notice in advance. Layoffs on account of reduction of forces shall be made in the inverse order of the seniority of the employee within the occupational groups of those engaged in similar work covered by this agreement.

Section 4 - Recall

If after layoff, a vacancy occurs, the laid off employee(s) shall be afforded the opportunity of filling same in accordance with his seniority status, provided the employee has the requisite ability to perform the Employer's work in a satisfactory manner. Recall rights shall exist for two (2) years from the date the employee is laid off and will be waived if the employee accepts severance pay.

Notice of recall shall be sent to the employee by certified mail, return receipt requested, with a copy to the Union, provided that the employee must notify the Director of Public Works of the intention to return to work within three (3) calendar days after receipt of notice and must present for duty assignment no later than seven (7) calendar days after receiving notice of recall. This time period can be mutually extended. The City shall be deemed to have fulfilled its obligations by mailing the recall notice by certified mail, return receipt requested, to the mailing address last provided by the employee, it being the obligation and responsibility of the employee to provide the City with the employee's latest mailing address. If an employee fails to timely respond to a recall notice, the employee's name shall be removed from the recall list.

Section 5 - Promotions

When a vacancy occurs in the bargaining unit which presents a promotional opportunity for bargaining unit members, the City retains the final right to determine whether or not the opening should be filled by whom. The City's review of an applicant's qualifications may include, but shall not be limited to the applicant's relevant training and experience, including demonstrated ability to deal with the requirements of the position, the applicant's past work record and annual evaluations, including discipline and attendance. In the event the skill, qualifications and experience of two or more applicants (internal or external) are equal, as determined solely by the Employer, an existing employee with greater seniority will be offered the position first.

Section 6 - Probationary Period Following Promotion

When an employee is promoted from one bargaining unit position to another, the employee will be considered a probationary employee for the first six (6) months of actual work performed by the employee following the effective date of the promotion. An employee serving a promotional probationary period who wishes to return to the former job classification may return to the former position without any loss in seniority within twenty (20) calendar days or until an offer has been extended to a prospective employee. However, this "return right" shall not exceed thirty (30) calendar days. During the promotional probationary period, the City reserves the right to demote or transfer such employee with or without cause.

ARTICLE 7

GRIEVANCE PROCEDURE

Section 1 - Grievance Defined

For the purposes of the Agreement, a grievance is any dispute or difference of opinion raised by an employee or the Union against the Employer involving the interpretation or application of an express provisions of this Agreement.

Section 2 - Procedure

Grievances shall be raised and settlement attempted, pursuant to the following procedure:

Step 1. Any employee who has a grievance shall reduce it to writing, have it signed by the Steward, and shall be presented to the immediate non-bargaining unit supervisor. The grievance shall contain a complete statement of the facts, the provisions of this Agreement which are alleged to have been violated, and the relief requested. All grievances must be presented no later than seven (7) business days from the date of the first occurrence of the matter giving rise to the grievance or within seven (7) business days after the employee, through the use of reasonable diligence, could have obtained knowledge of first occurrence of the event giving rise to the grievance. The supervisor shall give his written answer to the employee within seven (7) working days after the date of submission.

Step 2. If the immediate non-bargaining unit supervisor fails to answer the grievance, or if the answer does not resolve the dispute, the grievance shall be presented by the Union to the Division Superintendent within seven (7) working days following the immediate non-bargaining unit supervisor's answer in Step 1. The Division Superintendent shall investigate the grievance and provide a written answer within seven (7) working days after receipt of the grievance.

Step 3. If the Division Superintendent fails to answer the grievance, or if the answer does not resolve the dispute, the grievance shall be presented by the Union to the Department Head within seven (7) working days following the Division Superintendent's answer in Step 2. The Department Head shall attempt to adjust the grievance as soon as possible, but shall give his answer in writing to the Union within seven (7) working days after receipt of the grievance.

Step 4. If the Department Head does not answer the grievance in Step 3 or if the answer does not solve the dispute, the Union shall request a meeting with the City Administrator, designated within seven (7) working days of the answer in Step 3. The meeting shall be held at a mutually agreeable time and place. If the grievance is settled as a result of such meeting, the settlement shall be reduced to writing and signed by the parties. If no settlement is reached, the City Administrator or his designated representatives shall give the Union and the Employer's answer within fifteen (15) working days following their meeting.

Section 3 - Arbitration

Grievances that are processed properly, but not adjusted between the Employer and the Union, as provided above, may be referred to arbitration upon written request of the Union made within ten (10) working days of the Employer's answer in Step 4. When arbitration is requested, the parties shall attempt to agree on the selection of an arbitrator. If an agreement cannot be reached within ten (10) working days from the date on which arbitration is requested, the parties shall jointly request the Federal Mediation and Conciliation Services (FMCS) to submit a list of five (5) arbitrators. From such list of arbitrators, the grieving party shall strike two (2) names and the Employer shall then strike two (2) names and the person whose name remains shall be the arbitrator; provided, however, that either party shall have the right to reject one (1) list of arbitrators and ask for a new list from the FMCS.

In settlement of any grievance resulting in retroactive adjustment, such adjustment shall be limited to a maximum of five (5) calendar days prior to the date of the filing of the grievance.

The decision of the arbitrator shall be final and binding upon the parties. The arbitrator shall have no right to ignore, add to, take from, or modify any of the provisions of this Agreement. The expenses of the arbitrator shall be shared equally by the parties, and such expenses may be at the request of either party, including the cost of a written transcript of the hearing. Each party shall bear all other expenses incurred by it in connection with the proceeding.

ARTICLE 8

NO STRIKE OR LOCKOUT

Section 1 - No Strike/Lockout

There shall be no stoppage of work by either strike or lockout because of any dispute over matters relating to the provisions herein, or during the time that any grievance or other matters are in dispute, while this agreement is in effect. All such matters must be handled in the manner later provided in this Agreement. Any employee who participates in a strike or other interruption of work may be disciplined and employees shall not be entitled to any benefits or wages whatsoever while they are engaged in a concerted work stoppage. Only the question of whether an employee did in fact participate in or promote such action shall be subject to the grievance and arbitration procedure.

ARTICLE 9

Spring Holiday
Memorial Day
Independence Day
Labor Day

When a holiday falls on Sunday, the following Monday shall be considered a holiday. When a holiday falls on Saturday, the preceding Friday shall be considered a holiday. If a holiday falls on a Saturday or Sunday and the preceding or following day is also considered an official holiday, the designated observed City holiday shall be determined by the City.

To be eligible for holiday pay, the employee must work the scheduled day before and after the holiday, with the following exceptions:

- if the day before and/or after is a normal day off from duty.
- if the employee is on approved vacation leave, an approved personal day, or funeral leave before and/or after the holiday.

Section 3 - Personal Days

Employees are provided with three (3) personal days as paid days off for personal business. An employee will be eligible for personal days after the completion of ninety (90) days' employment with the City, and thereafter personal days are earned on the employee's anniversary date.

With prior approval of the Department Head or designee, personal days may taken in one (1) hour increments. Whenever possible, Employees shall request the personal day time off twenty-four hours (24) in advance through the immediate Supervisor for approval by the Department Head.

Unused personal days will not be allowed to be carried over into the next year (based on the employee's anniversary date). Personal days shall not be compensated for if they are not used as a paid time off from the employee's regular work schedule.

Sick leave may be accumulated from year to year, with no maximum number of hours accrued. Earned unused sick leave shall not be compensated, other than upon retirement as outlined in the Personnel Policy Manual, upon separation of employment with the City. Sick leave shall not be considered as a privilege which an employee may use at his discretion but shall be allowed only in case of a necessity and actual sickness or disability of the employee or because of illness or birth in his immediate family or to meet physical examination appointments or other sickness preventive measures. To receive compensation while absent on sick leave, the employee shall notify his Division Superintendent in a reasonable time under the circumstances. If a physician's certificate is requested, the Employer shall pay the cost of such office visit or examination which examination shall be made by the Employer's current Medical Examiner. Requests for information as required by the Family and Medical Leave Act are the responsibility of the employee and any such requests are based on federal or state law and are not a request of the City due to suspected misuse of sick leave.

Up to sixty (60) days of unused or accumulated sick leave will be paid upon retirement at the employee's regular rate upon formal application for retirement to the Illinois Employee Municipal Retirement Fund. Any sick leave pay out must comply with IMRF regulations.

If, upon investigation, any employee is found to have abused the intent of the sick leave privilege, he shall be subject to disciplinary action by the Employer and also by the executive Board of the Union.

Access to the Employer's Donated Leave Time Policy will be available to employees covered by this contract under the same terms and conditions as all other City non-union employees.
