## PREAMBLE

This Agreement is entered into by the City of Geneva (hereinafter referred to as the City or the Employer) and The Illinois Fraternal Order of Police Labor Council (hereinafter referred to as the FOP Labor Council or Labor Council).

It is the intent and purpose of this Agreement to set forth the parties' entire agreement with respect to wages, hours of employment and other conditions of employment that will be in effect during the term of this Agreement for represented officers covered by this agreement; to prevent interruptions of work and interference with the operations of the City; to encourage and improve efficiency and productivity; and to provide procedures for the prompt, equitable and peaceful adjustment of grievances as provided herein.

NOW, THEREFORE, the parties agree as follows:

## ARTICLE 1 RECOGNITION

### Section 1 – Recognition

Pursuant to the certification by the Illinois State Labor Relations Board Case No. S-RC-10-127 the City hereby recognizes the Illinois Fraternal Order of Police Labor Council as the sole and exclusive bargaining representative for the purpose of collective bargaining on any and all matters related to wages, hours, and working conditions for represented officers in the following unit:

- Included: All full-time sworn police officers employed by the city of Geneva (hereinafter referred to as "represented officers")
- Excluded: All other represented officers employed with the City of Geneva

It is agreed and understood by the parties, that only full-time sworn police patrol officers are included in the certification. Specifically excluded are all other represented officers of the City including any other rank of officer and non-sworn personnel in the police department.

### Section 2 – Part-time Police Officers

The City may employ part-time police officers and other non-sworn civilian personnel (including, but not limited to ESDA volunteers and Community Service Officers) as the City shall deem necessary to serve the policing needs of the Community in emergency situations, to cover special events, or for traffic control. The City shall not employ part-time police officers in order to replace represented officers on a permanent basis.

### Section 3 – Probationary Period

Each newly hired regular full time sworn police officer shall be employed in a probationary period of not less than eighteen (18) months from the first day of employment. During the probationary period represented officers may be subject to rotating shift assignments, discipline, including discharge, with or without cause, but shall have no recourse to the grievance procedure. However, represented officers in probationary status shall be covered by all of the other provisions of this Agreement except as specified herein.

## ARTICLE 2

### FOP LABOR COUNCIL SECURITY AND RIGHTS

#### Section 1 – Dues Deductions

While this Agreement is in effect, the City will deduct authorized Labor Council uniform dues from the pay of each represented officer who has filed with the City, a voluntary, written authorization form (attached hereto as Appendix “A”). The Labor Council will provide the City thirty (30) days written notice of any such change in the amount of uniform dues to be deducted. Money deducted as and for payment of such dues shall be remitted to the Labor Council normally by the tenth (10th) day of the month following deduction. Any Labor Council member desiring to revoke the dues authorization, may do so by written notice to the Council and the City by certified mail, return receipt requested, at any time during the sixty (60) day period prior to the annual anniversary date of the contract. Any such revocation shall be effective for the first scheduled deduction following expiration of one week after the City’s receipt of the revocation notice.

The City shall provide the Labor Council within thirty (30) days of hire, the name, address, classification, rate of salary and starting date of any newly hired or rehired represented officer.

#### Section 2 – FOP Labor Council Indemnification

The FOP Labor Council shall indemnify, defend and save the City harmless against any and all claims, demands, suits or other forms of liability (monetary or otherwise) and for all legal costs that shall arise out of or by the reason of action taken or not taken by the City in complying with the provisions of the Article.

## ARTICLE 3

### LABOR-MANAGEMENT MEETINGS

#### Section 1 – Meeting Request

A meeting between the Labor Council representatives and City representatives may be requested by written notice given at least seven (7) days in advance specifying a desire to hold a “labor-management meeting”. Such meetings shall be limited to:

- a. A sharing of general information of interest to the parties;
- b. A desire by the City to notify the Labor Council of changes in non-contractual conditions of employment contemplated by the City which may affect represented officers; and/or
- c. Safety issues.

#### Section 2 – Exclusivity of Meetings

Such meetings shall be exclusive of the grievance procedure. Grievances being processed under the grievance procedure shall not be considered at “labor management meetings,” nor shall negotiations for the purpose of altering any or all of the terms of this Agreement be carried on at such Meetings.

#### Section 3 – Represented Officer Attendance at Meetings

In the event the City requires any represented officer other than duly authorized members of the bargaining committee to attend such a meeting such attendance shall be considered time worked for compensation purposes. If the time set by agreement for the meeting conflicts with

the duty schedule of a bargaining unit member whose presence is requested by the Labor Council the City shall grant such officer release time. The meeting duration shall not exceed one (1) hour (unless an extension of time is mutually agreed upon between the parties) and the number of such released officers shall not exceed two.

#### **ARTICLE 4**

#### **LABOR COUNCIL REPRESENTATION**

##### **Section 1 – Right of Access**

Two (2) duly authorized representatives of the Labor Council shall upon delivery of written request to the Chief of Police specifying the date, time and duration of a proposed visit, shall have reasonable access to City-controlled premises during working hours to confer with a represented officer in accordance with section 2 of this article, and/or representatives of the City concerning matters covered by this Agreement. A granted request may be terminated and/or the privilege may be revoked altogether because of abuse and shall not interfere with any represented officer's assigned duties.

##### **Section 2 – Labor Council Activity During Work Hours**

Any and all consultations between and among represented officers and/or Labor Council officials concerning Labor Council business or in the handling and processing of grievances shall take place in a manner which does not interfere with City operations. A represented officer may be allowed reasonable time off without loss of pay to investigate and settle grievances, after having received permission from the Chief of Police, or designee. Time spent in attendance at contract negotiating sessions is without pay; however up to two (2) members of the bargaining unit may be allowed to adjust their schedule in order to attend contract negotiating sessions with advance notice and approval from the Chief of Police or designee.

#### **ARTICLE 5**

#### **INDEMNIFICATION**

The City agrees to abide by the provisions of 65 ILCS 5/1-4-6 as it relates to indemnification in the event a represented officer should cause injury to the person or property of another in the performance of their official duties. Additionally, the City will abide by the provisions of 65 ILCS 5/11-1-2.1 with regard to mutual aid agreements.

## ARTICLE 6

### HOURS OF WORK AND OVERTIME

#### Section 1 – Purpose

This Article is intended to define the normal hours of work and to provide a basis for the calculation and payment of overtime. It shall not be construed as a guarantee of hours of work.

#### Section 2 – Departmental Work Schedule

- A. Except as provided elsewhere in this Agreement, the normal workweek shall be forty (40) hours, based on five eight (8) hour shifts, with a thirty (30) minute paid lunch period provided each day, subject to operational demands. The Chief of Police or designee may create ten (10) or twelve (12) hour shifts based upon operational needs and efficiency. The normal work cycle shall be fourteen (14) consecutive days.
  
- B. The schedule that is in place upon ratification of this agreement may be revised no more than once per year as a matter of unreviewable discretion, provided that notice of the revised schedule be given to the Labor Council no less than sixty (60) days prior to implementation. The Labor Council may suggest alternatives during the notice period but in the absence of agreement, the City's planned reschedule shall take effect. Any schedule that deviates from section (A) above must be mutually agreed upon. The City may make temporary schedule adjustments at any time. For temporary schedule adjustments lasting more than two weeks, however, the City will seek volunteers based on qualifications for assignment, schedule and operational considerations. If no represented officer volunteers for the adjusted schedule change then the change will be assigned to the least senior represented officer.

#### Section 3 – Detective Assignment Scheduling

Represented officers assigned as detectives shall work a schedule that may vary from time to time as directed by the City. An officer who determines that a schedule change would benefit the operational needs of the City shall notify his or her supervisor of such determination and obtain approval for the change before a claim for compensation corresponding to the change need be or will be honored. Schedule changes may be approved by Police Commander or designee on a case-by-case basis for the personal needs of a detective; however, in no case shall a schedule change be approved for a represented officer to engage in outside employment, nor shall a schedule change be on a long-term or re-occurring basis. Represented officers called into work on their off duty time shall be paid the appropriate overtime rate of pay pursuant to this Agreement.

#### Section 4 – Shift Selection

All shifts for represented officers within the police department shall be selected based on seniority as defined in this agreement.

#### Section 5 – Trading Shifts

Upon written request, represented officers may be allowed to trade shifts within the same fourteen (14) day work cycle, with a minimum of twenty-four (24) hours' notice and prior approval by the Chief of Police and/or designee, which shall not be unreasonably denied. A trade day will be considered an officer's regularly scheduled workday for purposes of overtime. Disputes

resulting from this section may only proceed through Step 4 of the grievance procedure and are not subject to arbitration.

**Section 6 – Overtime Pay.**

A represented officer shall be paid one and one-half times their regular hourly rate-of-pay for all hours worked in excess of eighty (80) hours in a work cycle. For Sundays, when Sunday is not the officer's regularly scheduled workday, actual hours worked by the represented officer shall be paid at double time. Upon mutual agreement between the represented officer and his/her supervisor, compensatory time may be elected in lieu of overtime, at the rate of one and one half (1½) hours for each hour of overtime worked. For purposes of this Article, time worked shall include only that time spent on duty as provided by the Fair Labor Standards Act (FLSA), and paid time off only. Hours worked for overtime purposes shall not include any uncompensated periods or any other unpaid leaves of absence.

**Section 7 – No Pyramiding**

Compensation shall not be paid more than once for the same hours under any provision of this Article or Agreement.

**Section 8 – Court Time**

Represented Officers required to attend court or inquests, or subpoenaed to appear in any court on behalf of the City, shall be compensated in accordance with this article. Officers will be paid for the lunch period if required to return for further testimony after the lunch period on said day.

Represented officers who are required to attend court outside their regularly scheduled work time (but more than two hours prior than a scheduled duty shift) will be compensated at the overtime rate of pay with a guaranteed minimum of three (3) hours or time served whichever is greater. Represented officers are guaranteed two (2) hours of overtime whenever the scheduled court call precedes a scheduled duty shift by two hours or less. Represented officers who attend court while on-duty, but where the court call extends into off-duty time, shall receive overtime only for the hours worked beyond their normal shift.

Subpoena cancellations not given within eight (8) hours' notice, will result in the minimum court allowance payment to the represented officer as provided for above. Notice shall be defined as a reasonable effort on the part of the City and/or State's Attorney to make contact with the represented officer.

**Section 9 – Stand-by (On-Call Pay)**

Represented officers assigned as detectives, or those assigned as evidence technician/accident investigators, shall be compensated one (1) hour pay at time and one-half their regular rate of pay for "on-call" duty for each day of the week (Monday through Sunday) including holidays for which they are on-call. If called for duty, the represented officer shall receive compensation for actual time worked. This section shall not apply to those represented officers assigned to a multi-jurisdictional task force or other similar entity.

**Section 10 – Computation of Hourly Salary**

For the purposes of determining overtime compensation, represented officers' hourly salary shall be computed based upon an annual work year of 2080 hours and their base pay.

### **Section 11 – Overtime Work Opportunities**

In the event the city determines a need to assign work to a represented officer that will require the officer to work hours that must be compensated at overtime rates per this Agreement, the represented officer shall perform the assignment as directed. Demonstrated inequities in overtime work opportunities shall be corrected by preferential future assignments and not under any circumstances by payment for time not worked. Nothing in this agreement shall be construed to confer upon any represented officer a right to work any hour(s) and overtime rate(s).

Overtime that is a result of a shift going below minimums due to illness, special assignment, or for operational needs as identified by the Chief of Police or designee shall be termed “immediate” overtime. “Immediate overtime” is all overtime needing to be filled within 48 hours. For immediate overtime, all reasonable attempts will be made to divide as evenly (hours available) as possible between the outgoing shift and the oncoming adjacent shift. Overtime will be offered by seniority to the represented officers working the shift that is adjacent to the needed shift and by seniority to the officers who are scheduled to work the oncoming adjacent shift.

All “non-immediate” overtime applies to the schedules that are currently posted online. All “non-immediate” overtime will be posted in the squad room on a rotating shift basis and on a first come/first serve basis. If there are multiple shifts listed, represented officers will be limited to one shift or portion of a shift for the first week it is posted. If it remains posted for more than a week, represented officers may sign up for multiple shifts. Represented officers will be required to sign their own name and date it at the time of signing.

Represented officers shall not be permitted to work more than fourteen (14) continuous hours, unless an emergency circumstance or authorized by the Chief of Police or designee. The above procedures may be modified upon the agreement of both parties.

### **Section 12 – Off-Duty Overtime Details**

A represented officer who may be assigned to an off duty detail shall be paid at the represented officer overtime rate of pay. Off duty detail shall be assigned on a first come, first served basis.

### **Section 13 – Call Back**

Represented officers who are “called back” to work after having been released from their regularly scheduled work day, and more than two (2) hours before the start of the next regularly scheduled work day shall be paid for a minimum of two (2) hours at time and one-half their regular rate of pay. Call back time begins when the represented officer is notified and ends when the represented officer leaves the place of reporting. This section does not apply to represented officers who are scheduled in advance for overtime.

### **Section 14 – Compensatory Time**

Upon mutual agreement, a represented officer may opt to receive compensatory time in lieu of paid overtime. Compensatory time is earned at the same rate overtime would have been earned; time and one-half or double time.

The maximum number of hours of compensatory time that can be accumulated is 100 hours. Compensatory time may be used in minimum increments of one (1) hour and a maximum increment of eighty (80) hours. No more than one-hundred twenty (120) hours may be taken in a

fiscal year. Authorization of said time-off must not unduly disrupt operations as determined by the authorizing supervisors. Represented officers are required to utilize their accrued compensatory time by the end of the fiscal year that follows the fiscal year in which the compensatory time was earned. All compensatory time not used within the timeframe stated above, will be paid to the represented officer at the appropriate rate of pay. Upon separation, any unused time shall be paid at the represented officer's final regular rate of pay.

Represented Officers may receive a payout of all accrued compensatory time or any portion thereof by providing written request to the Human Resources Division. Requested payouts will be paid within 30 days and included with the represented officer's regular paycheck.

### **Section 15 – Use of Benefit Time**

- A. Represented officers shall be allowed to use their earned/accrued benefit time (Compensatory Time, Holidays, Personal Days, or Vacation or other similar time) in accordance with this Agreement. Represented officers shall not be required to use benefit time in any particular order (i.e., be required to use all vacation time prior to using other benefits).
- B. The following conditions apply to use of earned/accrued benefit time (Compensatory Time, Holidays, Personal Days, Vacation, or other similar time), however, these conditions may be waived by Chief of Police or designee:
1. Benefit time off shall not exceed two consecutive weeks;
  2. No requests will generally be permitted during the week of Swedish Days;
  3. Represented Officers will not be authorized to take more than a total of fifteen (15) days off between June 1 and August 31;
  4. Represented Officers who are scheduled off the duty shift schedule will not be permitted to sign up for overtime on the duty shift schedule during the period of time that they are off (this restriction does not apply to outside detail assignments).

## **ARTICLE 7**

### **REPRESENTED OFFICER SECURITY**

#### **Section 1 – Just Cause Standard**

No represented non-probationary officer covered by this Agreement shall be disciplined without just cause.

#### **Section 2 – Represented Officer Notification**

A copy of any disciplinary action that is based upon a represented officer's performance or misconduct, which is placed in the personnel and/or disciplinary file(s) shall be sent to the represented officer within seven (7) calendar days of being placed into said file(s).

#### **Section 3 – Discipline**

Upon written request by the represented officer to the Chief of Police, the parties agree that oral or written warnings shall be disregarded in making determination of future disciplinary actions when more than two (2) years have passed since the prior action was taken and no subsequent disciplinary actions based on any type of offense have been taken in the meantime. Disciplinary actions resulting in suspension or loss of pay shall be disregarded in making determinations of

future disciplinary actions when more than five (5) years have passed conditioned upon applicable remediation efforts, if any (e.g. completion of substance abuse or anger management program, correction of poor attendance record) and no subsequent disciplinary actions based on any type of offense have been taken in the meantime.

**Section 4 – Representation**

At the represented officer's request, a Labor Council representative will be allowed to attend any investigatory interview, which the represented officer reasonably believes may lead to discipline. The interview shall be reasonably delayed to allow the represented officer an opportunity to have a Labor Council representative present. The represented officer may however be relieved of duty with pay pending the arrival of such representative.

**Section 5 – Notice of Disciplinary Action**

The Chief of Police or designee shall notify a represented officer of any disciplinary action that the Chief of Police or designee reasonably believes will result in a suspension or termination. The represented officer may request a meeting with the Chief of Police to discuss the proposed suspension or termination prior to instituting discipline. The represented officer shall have the right to have a Labor Council representative present at the requested meeting.

**Section 6 – Personnel Files**

The City agrees to comply with the provisions of the Illinois Personnel Record Review Act, 820 ILCS 40/1, et. seq.

**Section 7 – Personal Assets**

Absent reasonable cause, the City will not require or request represented officers to disclose any item of their personal property, income, assets, source of income or assets, debts or personal or domestic expenditures (including those of any member of their immediate family or household). The provisions of this Section shall not be applicable if such disclosure is required by subpoena or court order. However, the City will use reasonable discretion in determining how to respond to a subpoena that seeks the disclosure of personal assets of represented officers. If the City in the use of its reasonable discretion determines that it is necessary to disclose personal information about represented officers, the City will give the represented officers advance notice.

**Section 8 – Release of Information**

No home address or personal phone number of a represented officer will be intentionally disclosed by the City directly to the media or general public at any time during the term of this agreement. If the City in its reasonable discretion determines that it is necessary to disclose personal information about the represented officers, the City will give the represented officer advance notice of such disclosure in advance of its release. No photograph will be intentionally disclosed by the City directly to the media or general public without prior consent from the officer whose photograph is to be released.

**Section 9 – Use of Unfounded Material**

Any information of an adverse nature which the City determines to be unfounded and not sustained, shall not be used against a represented officer in any future disciplinary proceeding.

**Section 10 – Bill of Rights**

The City and the Labor Council shall abide by the lawful requirements of the “Uniform Police Officer’s Disciplinary Act,” 50 ILCS 725/1 – 725/7 as amended.

**ARTICLE 8****GRIEVANCE PROCEDURE****Section 1 – Definition**

A grievance shall be defined as a dispute or difference of opinion, which has arisen between the parties alleging that there has been a violation, misapplication or misinterpretation of an express provision of this Agreement.

**Section 2 – Representation**

A represented officer or the Labor Council on behalf of a represented officer or group of represented officers may process grievances. The Labor Council may have the grievant or grievants present at any step of the grievance procedure, and the grievant is entitled to Labor Council representation at any step of the grievance.

**Section 3 – Grievance Procedure**

A grievance must be raised within ten (10) calendar days of the occurrence of the event giving rise to the grievance or the time at which the grievant reasonably should have become aware of the event giving rise to the grievance. A grievance may be initiated by the Labor Council or an aggrieved represented officer. If the Labor Council files a grievance, it shall be initiated at Step 2 of the procedure. Grievances involving suspension or termination shall be initiated at Step 3 of the procedure. If the City fails to provide an answer within the time limits so provided, the Labor Council or Grievant may immediately appeal to the next step. The grievance procedure is not available to the City and the City need not follow it prior to taking disciplinary legal action against any represented officer or against the Labor Council. The parties may mutually agree in writing to extend any time limits. A grievance shall be processed as follows:

**STEP 1:**

Any represented officer may submit a written grievance with the officer’s immediate supervisor. The supervisor shall then attempt to resolve the matter and shall respond in writing within ten (10) calendar days after submittal.

**STEP 2:**

If the grievance is not settled at Step 1 and the represented officer, or the Labor Council if a Labor Council grievance, wishes to appeal the grievance to Step 2 of the grievance procedure, it shall be submitted in writing to the Patrol Commander or his/her designee within ten (10) calendar days after receipt of the answer in Step 1. The grievance shall specifically state the basis upon which the grievant believes the grievance was improperly denied at the previous step in the grievance procedure. The Police Commander or designee shall investigate the grievance and, in the course of such investigation, shall offer to discuss the grievance within ten (10) calendar days with the grievant and an

authorized Labor Council representative, if one is requested by the represented officer, at a time mutually agreeable to the parties. If no settlement of the grievance is reached, the Police Commander or designee shall provide a written answer to the grievant or to the Labor Council if a Labor Council grievance, within ten (10) calendar days following their meeting.

**STEP 3:**

If the grievance is not settled at Step 2 and the represented officer, or the Labor Council if a Labor Council grievance, wishes to appeal the grievance to Step 3 of the grievance procedure, it shall be submitted in writing designated as a “grievance” to the Chief of Police or his/her designee within ten (10) calendar days after receipt of the City’s answer in Step 2. The Chief of Police or his/her designee shall investigate the grievance and, in the course of such investigation, shall offer to discuss the grievance within ten (10) calendar days with the grievant and an authorized Labor Council representative, if one is requested by the represented officer, at a time mutually agreeable to the parties. If no settlement of the grievance is reached, the Chief of Police or his/her designee shall provide a written answer to the grievant or to the Labor Council if a Labor Council grievance, within ten (10) calendar days following their meeting.

**STEP 4:**

If the grievance is not settled at Step 3 and the represented officer, or the Labor Council if a Labor Council grievance, wishes to appeal the grievance to Step 4 of the grievance procedure, it shall be submitted in writing designated as a “grievance” to the City Administrator or his/her designee within ten (10) calendar days after receipt of the City’s answer in Step 3. The City Administrator or his/her designee shall investigate the grievance and, in the course of such investigation, shall offer to discuss the grievance within ten (10) calendar days with the grievant and an authorized Labor Council representative, if one is requested by the represented officer, at a time mutually agreeable to the parties. If no settlement of the grievance is reached, the City Administrator or his/her designee shall provide a written answer to the grievant or to the Labor Council if a Labor Council grievance, within ten (10) calendar days following their meeting.

**Section 4 – Arbitration**

(a) The parties shall attempt to agree upon arbitrator within ten (10) calendar days after receipt of the notice of referral. In the event the parties are unable to agree upon the arbitrator within said ten (10) day period, the parties shall jointly request the Federal Mediation and Conciliation Services to submit a list of seven (7) names drawn from among neutral arbitrators (i) whose principal business offices are in Illinois, Wisconsin, Iowa, or Indiana and (ii) who are members of the National Academy of Arbitrators. The City and the Labor Council shall alternate striking names for the panel list until one name remains and that remaining name shall be the chosen arbitrator. The order of alternate striking shall be determined by a coin toss with the loser striking first.

(b) The arbitrator shall be notified of the selection and shall be requested to set a time and place for the hearing, subject to the availability of Labor Council and City representatives.

(c) The City and the Labor Council shall have the right to request the arbitrator to require the presence of witnesses or documents. The City and the Labor Council retain the right to employ legal counsel.

(d) The arbitrator shall submit the decision in writing within thirty (30) calendar days following the close of the hearing or the submission of briefs by the parties, whichever is the later.

(e) More than one (1) grievance can be submitted to the same arbitrator if both parties mutually agree in writing.

However, in cases of suspensions five days or less and terminations, a represented officer shall have the option to choose between the Board of Fire and Police Commissioners or appeal through the grievance procedure. For discipline greater than 5 days, excluding termination, the only method of appeal is the Board of Fire and Police Commissioners. In any discipline case that is heard by the Board of Fire and Police Commissioners, the Board shall not have the right to increase any discipline recommended by the Police Chief or designee.

**ARTICLE 9**

**NO STRIKE OR LOCKOUT**

**Section 1 – No Strike**

Neither the Labor Council nor any officers, agents, or represented officers covered by this Agreement will instigate, promote, sponsor, engage in, or condone any strike, sympathy strike, secondary boycott, slowdown, sitdown, concerted stoppage of work, concerted refusal to perform overtime, mass absenteeism, or any other intentional interruption or disruption of the operations of the City, regardless of the reason for so doing. Any violation of this Article may be considered just cause for discharge of the represented officer involved. In case of any appeal from the City's decision to terminate its employment of a represented officer or to impose disciplinary action for violation of this Article, the sole question to be decided shall be whether the represented officer in fact participated in a prohibited act. Disciplinary suspensions issued in lieu of discharge may be staggered so as to minimize interference with work, and the City's determination as to the length of suspension(s) to be imposed shall not be subject to appeal.

**Section 2 – No Lock Out**

The City will not lock out any represented officer during the term of this Agreement as a result of an actual or anticipated labor dispute with the Labor Council.

Personal days may be taken in one hour (1) increments.

Unused personal days will not be allowed to be carried over into the next year (based upon the represented officer's anniversary date) without advance approval by the Chief of Police. The Department Safety Committee shall review all injuries and accidents and make recommendation as to the eligibility for the Safety Day. These recommendations are subject to final approval by the Chief of Police. The Police Chief will not unreasonably overturn the recommendation of the Department Safety Committee.

**SENIORITY, LAYOFF, RECALL**

**Section 1 – Definition of Seniority**

Seniority is defined as the represented officer's length of continuous full-time employment by the City in the capacity of Police Officer dating from the last date of hire. If hired on the same date, ranking on the eligibility list shall establish seniority with the officer with the higher ranking being the most senior. Seniority status and rights associated with the same shall be lost and shall be considered to be of no further force or effect upon any of the following occasions:

- a) Termination of employment by separation of services due to resignation, termination for just cause, termination during probationary period, or layoff;
- b) Death or retirement;
- c) Absence without leave for three consecutive calendar days, except for good cause shown due to circumstances beyond the control of the represented officer.

Disputes as to seniority listing shall be resolved through the grievance procedure.

**Section 3 – Layoff**

The City, in its discretion, shall determine when and whether layoffs are necessary. If the City so determines that these conditions exist represented officers covered by this Agreement will be laid off in accordance with their length of service with the City as provided in Illinois Compiled Statutes 65 ILCS 5/10-2.1-18. Further, if conditions exist wherein the City is able to foresee the need for a layoff, the City shall provide represented officers at least thirty (30) days advance notice of the effective date of such layoff. In lieu of advance notice, the affected officers may be placed on paid administrative leave for any part or all of the notice period. While on layoff status, represented officers do not accrue and are not eligible to receive nor entitled to City benefits. Time off on layoff status shall not be counted toward years of service. Part-time officers will be laid off prior to any full time represented officer being laid off.

**Section 4 – Recall**

Represented officers who are laid off shall be placed on a recall list. If the City thereafter elects to increase the number of officers and for that purpose elects to recall one or more previously laid off represented officers, who remain on the recall list with seniority, the City shall recall in line with the original order of layoff. Represented officers who are selected for recall shall be given no less than seven (7) calendar days' notice by certified or registered mail, return receipt requested, with a copy to the Labor Council, provided that the represented officer must notify the City of his/her intention to return to work within three (3) calendar days after receipt of notice and must present him or herself for duty assignment no later than fourteen (14) calendar days after receiving notice of recall. This time period can be mutually extended. The City shall be deemed

to have fulfilled its obligations by mailing the recall notice by certified mail, return receipt requested, to the mailing address last provided by the represented officer, it being the obligation and responsibility of the represented officer to provide the City with his/her latest mailing address. If a represented officer fails to timely respond to a recall notice his/her name shall be removed from the recall list.

##### **Section 3 – Sick Leave Utilization**

Sick leave is considered a privilege and not a right to be used at the represented officer's discretion for personal business. Sick leave is to be utilized out of necessity for actual sickness, disability, illness, immediate family injury or illness, doctor appointments, or dentist appointments. 10. The use or possession of marijuana is prohibited at all times, including both on duty and off duty.

Violation of any of the foregoing prohibitions shall be cause for termination of employment or for lengthy disciplinary suspension action that the City deems warranted under the circumstances of the case.

**Section 2 – Reasonable Suspicion Drug and Alcohol Testing Permitted**

Reasonable suspicion is a belief based on objective facts sufficient to lead a reasonable person to suspect that a represented officer has used drugs or alcohol so that the represented officer's ability to perform the functions of the job safely is reduced. For example, any of the following, alone or in combination, may constitute reasonable suspicion:

1. Slurred speech
2. Irregular or unusual speech patterns
3. Impaired judgment
4. Alcohol odor on the breath
5. Uncoordinated walking or movement

6. Unusual or irregular behavior such as inattentiveness, listlessness, hyperactivity, hostility or aggressiveness

8. Post-accident and/or post-injury testing may be required of a represented officer when a Supervisor has reasonable suspicion to suspect that an accident and/or injury may be drug and/or alcohol related.

Within twenty-four (24) hours from the time the represented officer is ordered to testing, the City shall provide the represented officer with a written notice setting the facts and inferences which formed the basis of the order to test. Refusal to submit to such test may subject the represented officer to discipline, but the represented officer's taking of the test shall not be construed as a waiver of any objection or rights that the represented officer might possess.

There shall be no random testing for represented officers.

### **Section 3 – Drug and Alcohol Testing Following Use of Deadly Force**

When in the course of their duties a represented officer discharges a firearm causing injury or death to a person or persons, the represented officer shall be tested for the use of drugs and alcohol in a manner consistent with this article and applicable statutes. In the event it cannot be conclusively determined which officer was responsible for causing injury or death, then any represented officers determined to have discharged their weapon in the incident shall be tested. Represented Officers not directly present or those providing support are not considered to be "involved".

### **Section 4 - Post-Accident Testing**

Employees involved in a reportable vehicle crash must be tested for substance abuse if there is a fatality, the employee is a driver and received medical treatment away from the site, if the employee's actions cannot be completely discounted, or if there is reasonable suspicion of drug or alcohol use. There shall be no hair follicle testing.

### **Section 5 – Drug and Alcohol Testing**

A drug test under this Agreement is a urinalysis (for drugs) and breath testing using an evidential breath testing device (for alcohol) administered under approved conditions and procedures conducted for the sole purpose of detecting drugs and alcohol. The test will be conducted by a City appointed medical collection facility and paid for by the City. Following authorization for reasonable suspicion or post-accident drug testing, the Supervisor or other authorized person will transport the represented officer to the designated collection facility. Should drug and/or alcohol testing need to be conducted after regular office hours or on weekends, the City's appointed medical collection facility should be contacted and the doctor-on-call will direct the Supervisor to the appropriate location for testing.

The room where the sample is obtained must be private and secure. Documentation shall be maintained that the area has been searched and is free of any foreign substance. The collection shall be performed under standard collection guidelines. Procedural actions shall be taken in all

tests to ensure that the sample is from the subject and was actually passed at the time noted on the record.

### **Processing Urine Samples**

Each step in the collection and processing of the urine specimen shall be documented to establish procedural integrity and the chain of custody. All testing will be done using SAMHSA procedures and threshold levels. Confirmation testing will be conducted using Gas Chromatography-Mass Spectrometry. The urine sample shall be retained for twelve (12) months by proper storage method to allow for further testing if necessary. Specimen samples shall be sealed and labeled. Samples shall be stored in a secure and refrigerated atmosphere. A large enough sample shall be taken to allow for a split-specimen analysis. Any sample, which has been adulterated or is shown to be a substance other than urine, shall be reported as such. Any represented officer providing false information about urine, saliva, or breath specimen or who attempts to contaminate such sample shall be subject to discipline up to and including termination.

### **Drugs Tested**

The collection facility shall test for the following drugs at levels that meet or exceed the limits hereafter set forth:

	<b>Drug Screening Level</b>	<b>Confirmation Level</b>
•	Amphetamines 1000 ng/ml	500+ ng/ml
•	Cocaine metabolites 300 ng/ml	150+ ng/ml
•	Opiates 2000 ng/ml	2000+ ng/ml
•	PCP (Phencyclidine) 25 ng/ml	25+ ng/ml
•	THC (Marijuana) 50 ng/ml	15+ ng/ml

### **Alcohol Screening Confirmation Level**

- 0.02 or greater
- SAMHSA specified threshold
- Tested through an evidential breathalyzer instrument at a level of .02 alcohol/breath concentration or greater, expressed in terms of grams per 210 liters of breath.

### **Results of Drug Testing**

The collection facility shall provide the results of the test in order to determine the presence of the drugs being tested for at or above the confirmation cutoff levels. For represented officers who test positive, the results shall be forwarded immediately to the designated Medical Review Officer (MRO) for further review. A copy of all drug-testing results shall be forwarded to the Human Resources Office.

### **Evaluation of Legal Drug Use**

In the case of prescription drug use that may affect a represented officer's ability to perform the job safely, the City's Medical Review Officer shall require the subject to provide by the next scheduled work day a bona fide verification of a valid current prescription for the drug identified. The represented officer may be subject to disciplinary action when (a) verification of a valid prescription is not provided, or (b) the prescription provided is not in the represented officer's name.

**Alcohol Level at .02 or Greater**

For the purpose of testing, the .02 or greater, shall conclusively disqualify the represented officer from being on duty. The represented officer will not be allowed to complete the remainder of the work shift. The represented officer shall be required to take leave and may be permitted to take sick leave, vacation, or compensatory time. The represented officer shall return to work after a period of twenty-four (24) hours or at the beginning of the next workday or shift (which ever period of time is greater) or after another test shows a breath alcohol level of below .02, provided the represented officer has not been suspended from duty as a result of disciplinary action based on the test results.

**Section 6 – Positive Test Results**

All test results shall be forwarded to the City's Human Resources Office to be kept on file for the required amount of time. Human Resources shall notify the Chief of Police of all drug and/or alcohol test results. Represented Officers shall be advised of any positive test results by the Chief of Police, or designee. The represented officer shall be afforded the opportunity to have the original urine sample retested. Retests must be requested within a period of seventy-two (72) hours after notification to the represented officer of an initial positive test by the Chief of Police or designee. A retest shall be conducted by the original collection facility (at the City's expense) unless the represented officer wishes to pay for a retest a different (SAMHSA-certified) collection facility. The second test must be conducted under SAMHSA procedures. If the represented officer declines a retest, or the retest confirms the results of the initial test, Human Resources shall be notified. Human Resources shall notify the Chief of Police, or designee of the results and a determination of appropriate action shall be made by the Chief of Police, in accordance with disciplinary procedures as outlined in this Agreement.

**Section 7 – Negative Test Results**

Represented Officers who have been tested for drugs and alcohol, where no substance use was found, shall receive notice of such findings from the Chief of Police after the Chief of Police has been contacted by the Human Resources Office.

**Section 8 – Voluntary Requests for Assistance**

Alleged or proven alcohol and/or drug addiction shall not be a defense to disciplinary action taken in response to violations of this provision. However, represented officers who believe that they have become addicted to drugs or alcohol and who seek assistance to address the problem prior to being found in violation of this rule shall not be discriminated against because they seek such assistance.

Voluntary requests for assistance with drug and/or alcohol problems (where no test has previously been given pursuant to the foregoing provisions) shall be held strictly confidential. A represented officer voluntarily seeking assistance shall not be disciplined (except for failure to fulfill obligations under an represented officer assistance/treatment program), but may be subject to random testing during and for one (1) year following successful completion of an represented officer assistance/treatment program at the represented officer's cost. The City shall be under no obligation to pay for treatment for alcohol/substance abuse. A represented officer will be allowed to use all applicable leave while attending a treatment program, and will be granted an unpaid leave of absence to complete such program after exhausting paid time off.

### **Section 9 – Confidentiality**

Collection facility reports of positive test results shall not appear in a represented officer's general personnel file. Information of this nature shall be placed in a separate confidential medical folder that shall be maintained by the Human Resources Office. The positive reports or test results shall be disclosed only to the Chief of Police or designee, who will then notify the represented officer. Disclosures of positive test results may also occur when:

1. The information is compelled by law or by judicial or administrative process.
2. The information has been placed at issue in a formal dispute between the City and the represented officer.
3. The information is to be used in administering a represented officer benefit plan such as for drug or alcohol treatment.
4. The information is needed by medical personnel for the diagnosis or treatment of the patient (represented officer) who is unable to authorize disclosure.

### **Section 10 – Records Retention Requirements**

The City shall maintain all records related to drug and alcohol testing for each represented officer in the Human Resources Office. Such records shall be kept apart from the general personnel files in a secure location with controlled access. The following records shall be maintained for a minimum of five (5) years:

Records may be disclosed to a decision-maker in a lawsuit, grievance, or other proceeding initiated by or on behalf of the represented officer, including, but not limited to a workers' compensation, unemployment compensation or other proceeding relating to a benefit sought by the represented officer.

### **Section 11 – Return to Work**

The parties agree that if and when the City elects to condition reinstatement on a personal commitment by a represented officer, such commitment may include one or more of the following:

1. Represented officers shall be referred to the Represented officer Assistance Program (EAP) or to other substance abuse counseling as part of their return to work requirements.
2. Represented officers must comply with recommended rehabilitation and provide verification that they are participating in a treatment program.
3. Represented officers must have a negative retest before being permitted to return to work.
4. Represented officers must acknowledge and agree that any breach of the agreement or any standards incorporated in it may result in an immediate termination.
5. Unannounced follow-up tests may be conducted after a represented officer returns to work.
6. Testing may be extended for up to twenty-four (24) months after a represented officer returns to work.

### **Section 12 – Right to Contest**

The Labor Council and/or the officer, with or without the Labor Council, shall have the right to file a grievance concerning any testing permitted by this Agreement, contesting the basis for the order to submit to the tests, the right to test, the administration of the tests, the significance and accuracy of the tests, the consequences of the testing or results or any other alleged violation of this Agreement. Such grievances shall be commenced at Step 2 of the grievance procedure. It is agreed that the parties in no way intend or have in any manner restricted, diminished or otherwise impaired any legal rights that officers may have with regard to such testing. Officers retain any such rights as may exist and may pursue the same in their own discretion, with or without the assistance of the Labor Council.

## APPENDIX "B"

**LIGHT DUTY**

It is the policy of the City of Geneva to provide suitable modified or light work for City employees who are temporarily unable to return to work due to injury, as long as meaningful and necessary work is available. This assignment will be consistent with the employee's skill and abilities and any medically necessary work restrictions. Nothing in this policy establishes a right to be placed on modified or light duty, or once placed to continue in such an assignment for any specified length of time. Modified or light duty assignments will not be made permanent.

The Human Resources Office has the responsibility for the coordination and administration of this procedure. All requirements for modified or light duty assignments will be evaluated on a case-by-case basis with consideration given to the skills and abilities of the employee, the medical or physical restrictions, and the availability of work. Preference will be given to those employees who are seeking light duty assignment following a work-related injury. Human Resources shall make available to the employee's physician a copy of the employee's job description for the purpose of allowing the physician to determine any work restriction and/or limitations. The physician's statement releasing the employee for light duty shall include a description of the injury/illness, prognosis, work restrictions or limitations, the estimated length of time the employee may require work in a modified or light duty capacity and, if applicable, any follow-up treatment or therapy required.

Consideration for a modified or light duty assignment will be contingent upon the following:

1. The employee presenting a physician's statement that includes a complete description of the physical restrictions or limitations and releasing the employee for modified or light duty. A "Light Duty Form" can be found on the Human Resources Intranet page or in the Human Resources Office.
2. The City's ability to temporarily modify the employee's regular duty requirements to accommodate the restrictions or limitations, the estimated length of time the employee may require work in a modified or light duty capacity, and any follow-up treatment or therapy required.
3. The employee, being otherwise qualified, as determined by the Human Resources Office, to perform such work.

The City may require periodic medical updates from the physician regarding the employee's ability to perform the duties of a temporarily modified or light duty assignment or to be released to return to full duty. The City may require an employee to submit to an examination with a physician chosen by the City at the City's expense. The City reserves the right to discontinue a modified or light duty assignment at any time, included but not limited to the following reasons; light duty work no longer being available, operational requirements prohibiting the continuance of modified duty, or the employee's inability to satisfactorily perform the duties of the assignment. Additionally, if at any time it appears that the assignment is interfering with the full recovery of the employee or is a threat to the safety and well-being of the employee, co-workers, or the public, the City shall temporarily discontinue the assignment until an evaluation can be obtained regarding the employee's ability to continue.

The following procedure shall be used when an employee is requesting light duty:

1. The employee must present to his or her Supervisor a written statement or completed "Light Duty Form" from his or her physician. The Supervisor will immediately send the written statement to Human Resources Office. The statement should contain:
  - a. Length of time that the employee is to remain on restricted duty.
  - b. Exact nature of the work that the employee can and cannot perform. This should include specific duties and weight limitations, if applicable.
  - c. Date of the next scheduled re-examination to determine any change in the employee's physical status.

The above-mentioned information must be provided in writing after each examination. The physician's office may also fax statements to the Human Resources Office.

2. Human Resources will discuss with the supervisor if the potential exists for a modification to the employee's regular duty assignment to accommodate the restrictions or limitations as stated by the physician. The temporary light duty assignment shall be made in close consultation with the Department Head, Division Manager, or designated Supervisor of the employee's work unit, the employee's physician, and the employee.
3. Should Human Resources, the Supervisor and/or Department Head agree that a modification is not possible within the employee's department; Human Resources will seek the availability of light duty work throughout the City.
4. Having determined either that the employee's regular duty assignment can be reasonably modified to accommodate the restrictions or limitations or that an appropriate light duty assignment is available, the immediate Supervisor will contact the employee and inform them of the work assignment. The Supervisor will also contact the Human Resources Office to advise of the final decision regarding modified or light duty work for the employee in order that personnel records reflect any change in job duties.
5. If, while on light duty assignment, the employee needs to be absent for related medical treatment or doctor's appointment, the employee must bring a written statement from the treating physician/facility. This statement should inform the City if there is any change in the employee's condition that would impact the light-duty assignment. The statement should be forwarded to the Human Resources Office.
6. If, at any time during the modified or light duty assignment, the employee receives a full duty medical release from the physician, he or she shall

immediately send the written statement to their supervisor and the Human Resources Office so that arrangements can be made for reassignment to regular (full) duty.

Employees who are working outside their normal job classification shall be paid at the rate of pay established by their normal job classification, such pay chargeable to the department in which the employee is normally compensated. Should a modified or light duty assignment not be available to an employee, the employee may utilize accrued leave or excused leave without pay and may be subject to the rules of the Family Medical Leave Act. Should the absence be due to an on-the-job injury the employee may be eligible for workers compensation (See Workers Compensation Insurance). Nothing in this policy shall be interpreted to require the City to create modified or light duty assignments for an employee. Employees will only be assigned to light duty assignments when the City determines that the need exists.

**SIDE LETTER**

Public Act 95-0356 (effective 08/23/2007) changed the law in Illinois regarding bargaining over review of discipline. The City of Geneva and the FOP Labor Council reached an agreement for a new Labor Agreement that did not incorporate processing all discipline cases through the grievance procedure.

The City agrees that in any future interest arbitration that might result from negotiations over discipline being reviewed through the grievance procedure during the successor negotiations; the Labor Council will not bear any burden of proof greater than it would have during the current negotiations. More specifically, the agreement reached shall be non-precedential and shall not prejudice either party in the successor negotiations.

This Side Letter shall be attached to and made a part of the Labor Agreement.
