

Committee of the Whole Meeting – Oct. 6, 2025

Council Questions & City Staff Responses

Before each City Council meeting, questions that have been posed by the City Council relating to the agenda for that evening will be posted to the City's website. Below are the responses to this week's questions.

Agenda Item 3. Items of Business

c. Consider Draft Resolution Authorizing the Execution of an Intergovernmental Agreement Between the City of Geneva and Kane County Regarding Access and Improvements to Fabyan Parkway at Kautz Road Pending Legal Review.

Q: In the Committee of the Whole packet (page 28), Kane County envisions Fabyan Parkway eventually becoming six lanes? Would that continue into the DuPage section of the road?

A: City staff can confirm the Approved for Construction plan set does show deceleration lanes extending to the east approximately 250 feet from the intersection. How that will interface with the DuPage Department of Transportation's project will be coordinated with the respective right-of-way agency.
