

## **PUBLIC MEETINGS**

Citizens are welcome and encouraged to attend all City of Geneva public meetings. Public meeting guests are also urged to participate in any of the City's many public meetings. A public comment section will be designated on all agendas.

Public comment is intended for community members to speak to any items on the agenda or any other topics not on the agenda.

Speakers do not have to "sign in" to be heard. There are no time limits for speakers, but the City does ask that those citizens wishing to speak identify themselves, note their address, identify any organization they represent and limit their comments to those not yet stated by prior speakers from the audience. This is the time for the public to be heard, and the public body's time to listen. No discussion or debate will follow public comment.

Please see the [City of Geneva Public Meeting Guide](#) for more information regarding City Council and Committee of the Whole meetings.
