

GENEVA GIVING PROGRAM

What better way is there to create a memorial than to help beautify our surroundings? The Geneva Giving Program is an endeavor by the City of Geneva to improve public areas with functional amenities and support various and valuable activities of our volunteer groups.

Individuals and corporations have the opportunity to donate benches, bike racks or contribute financially to the City of Geneva. Benches will include a personalized engraving directly on the bench. Bike rack, contributions to Prairie Green, and monetary contributions supporting City-sponsored activities led by the Beautification Committee and the Strategic Plan Advisory Committee will be recognized in publications associated with those groups. Once a donation form is submitted, a City official will contact you regarding placement of the donated item.

The Geneva Giving Program supports the continued enhancement of Geneva's beauty with the addition of park benches, bike racks, and monetary donations. It is with the help of donors like you that these programs are able to succeed.

GENEVA GIVING PROGRAM

Helping Geneva retain its beauty and accessibility with the addition of benches, bike racks and more.

For more information about the Geneva Giving Program contact the City of Geneva at **630-232-7494**

CITY OF GENEVA, ILLINOIS "GIVING" PROGRAM FORM

BENCH

The City of Geneva offers the opportunity to donate a bench along one of the streets in the downtown area. Each bench will be engraved with a personalized message of your choosing. Upon receipt of your donation form a city official will contact you regarding the placement of the bench. A [map](#) is posted on the City's website showing available benches.

Contact Geneva Public Works for current pricing*

BIKE RACK

Encourage the many benefits of biking with the donation of a bike rack. Plaques are not available on bike racks. Upon receipt of your donation form a city official will contact you regarding the placement of the bike rack. A [map](#) is posted on the City's website showing available bike racks.
