

# CITY OF GENEVA

## CHRISTMAS TREE PICKUP 2023

LRS (Lakeshore Recycling Systems), the City's waste hauler, will be picking up live Christmas trees this January in Geneva. Residents must set trees out with their trash and recycling on the following dates:

### JAN. 6-7\* & JAN. 12-13

- Live Christmas trees will be collected on residents' garbage collection day.
- **No refuse sticker is needed during this period.**

Residents must place the trees outside with their trash no later than 7 a.m. on their scheduled refuse pickup day.

To ensure the timeliness and integrity of the schedule, LRS crews will not return for special pickups. Once a street has been completed, trees will not be collected until the following week.

***\*Garbage pickup delayed one day later than normal the week of Jan. 2 due to New Year's Day holiday.***

### OTHER IMPORTANT INFO

- Trees discarded after the first two weeks of January will require one Geneva refuse sticker.
- Please remove all hard materials from the tree prior to disposal, including ornaments, nails, stands, etc.
- All wreaths and roping must be included with normal trash on residents' normal collection day.
